WCCC Discrimination/Harassment Information

The Warren County Career Center's Board of Education recognizes that a student has the right to learn in an environment untainted by sexual, racial or other forms of discrimination or harassment. Control of offensive conduct (which has the purpose or effect of unreasonably interfering with learning performance or creating an intimidating, hostile, discriminatory or offensive learning environment which disrupts the education process and impedes the legitimate teaching concerns of the District) is applicable to all students regardless of race, color, national origin, sex, disability, age, or e.g. religion, socio-economic status, sexual orientation, etc.

Sexual, racial or other forms of discrimination and harassment by school employees, other students and third parties is strictly forbidden and will not be tolerated by the Warren County Career Center.

Therefore, if you feel that your child is an alleged victim of an act of discrimination and/or harassment by a school employee, other student, or third party of the Warren County Career Center, you should call the District's Title IX/Section 504 Compliance Coordinator.

Note: It is recommended that you attempt to solve the matter informally with the building level Director before filing a formal complaint with the school district compliance coordinator.

Your child's incident will be handled promptly and with a sense of urgency.

Note: All students are expected to act responsibly, honestly, and with the utmost candor whenever they present charges of harassment and/or discrimination allegations against school employees, other students and third parties, as false accusations can have serious effects on innocent individuals.

Retaliation against any employee, parent, guardian, or student for filing an alleged complaint is illegal. Such persons will be dealt with accordingly.
