

March Madness Presentations

Dear Parents,

March 3, 2009

Your son or daughter has just started his or her “March Madness” project. Students are hard at work in and out of the classroom completing their visual aids, pennants, research, bibliographies, and outlines for their college presentation.

Students will be presenting their college information to the class March 23-27. On **Friday, March 20**, students will be practicing their presentations for an adult volunteer. That is where you come in. We need 6-7 adult volunteers for each class so that every student can get valuable input about their presentation. Each adult will be given a group of about four students with guidelines and a check sheet for each student. This input will be incredibly useful and meaningful for each student to gain the confidence he or she needs for the real presentation.

If you have any questions, feel free to contact me. Thanks in advance for your help!
