## Cosmetology Instructors

Amy Burlile, Levetra Staten, Julie Ulery, Christine Rohler

WCCC received approval from the Ohio Board of Cosmetology in 2006 to offer a Cosmetology program for adult students. The WCCC state-of-the-art training salon/lab is one of the finest in the state. Students are trained in an environment that is just like a working salon and learn through theory and practical lab experiences.

The 1,500-hour program prepares students to take the Ohio Board of Cosmetology Licensure Exam, which allows successful completers to work as a hairstylist, esthetician and nail technician. Students may choose to take an additional 300-hour course, which prepares students for salon management and manicure.

Students practice with each other and gain real work experience with individual clients.
