

Small Business Development Center

Ohio SBDC at Warren County Small Business Development Alliance – Lebanon

Mission: Accelerate Ohio's economy by helping people start, sustain and grow their businesses!

The Ohio Small Business Development Centers (SBDC) provide a high-impact, front-line program designed to facilitate small business growth, job creation, and access to capital. The SBDC works with entrepreneurs in all industries, at all stages of business growth. Through access to a wide range of services and resources, the SBDC meets the needs of the experienced and the prospective small business owner at his/her level of sophistication helping transition to the next level of business insight and understanding growth.

Confidential One-to-One Advising

The SBDC Certified Business Advisor® utilizes a business coaching process to assess the business situation and work with the entrepreneur to think through problems, identify the need, find options and pinpoint solutions. Advisors assist with acquisition of capital via relationships with lenders and investors.

Comprehensive business management and education services include but are not limited to:

- Strategic Planning
- eCounseling
- Technical Assistance
- Quality-Based Assessments
- Information about Federal, State and Local Programs

Online Learning Opportunities for the Aspiring Entrepreneur

The Warren County Career Center offers a variety of "Start Your Own Business" online learning courses. Courses are affordable, accessible, and very flexible.

A sample of related online courses includes:

- Creating a successful business plan
- Marketing your business on the internet
- Secrets of the caterer.....and more
- A complete list of online courses is available at www.ed2go.com/warren

Each course is six weeks long and is instructor facilitated. The ed2go website has additional information about course descriptions and content, instructors and hardware/software requirements. You can access a sample course demonstration to become familiar with how an online learning course is organized and conducted. It is easy to register online for the courses of your choice.
