

Prepare for school start...

- School start time is 7:40 am, day ends at 2:07 pm. When you arrive on your assigned day at main campus:
  - Drivers: Doors will open at 7:30 am. Please stay in your car until that time.
    - Drop offs: You may come inside the lobby until 7:30. Please stay distanced from others.
  - All students and staff must have a facial covering over their nose and mouth at all times, except while eating. Gaiter style masks must be at least double layer.

**Mask Mandate Update: The Ohio Department of Health issued an order this morning, 8/15/20, that plastic face shields cannot be worn by students or staff at school (except with documented medical reasons).**

**WCCC will now have the following policy regarding facial coverings: All students and staff must wear a cloth face masks or double layer neck gaiter at all times, except when eating, drinking or taking an approved mask break outdoors.**

**Plastic face shields are no longer acceptable as facial coverings for primary use. Teachers are permitted to wear plastic face shields only while lecturing in a classroom, knowing they will constantly remain 6' away from any person.**

**Plastic face shields are allowed as secondary protection over a facial mask.**

- Students should come only on their assigned day; assigned days were listed on student schedules. If you did not pick up your schedule, you should have received a voicemail communicating your day. If you still have questions, please contact us at [wccinfo@mywccc.org](mailto:wccinfo@mywccc.org)

If you haven't already done so, please be certain to complete student forms at [wccc.esvportal.com](http://wccc.esvportal.com), email [shonda.marburger@mywccc.org](mailto:shonda.marburger@mywccc.org) with questions.

- Returning students should bring their ID badge, and Chromebook fully charged. New students, Chromebooks and ID badges will be distributed to students on their first in-person day.
- Academic classes are all remote for the first three weeks. Please check your email for messages from your instructors as to how to report for class! For students who chose Option 2 for academics, you will begin in your regularly scheduled academic classes, which are remote for the first 3 weeks. Should we make the decision to continue with remote learning for all students in academics beyond the 3 weeks, you will be able to continue with your classes. Should we make the decision to bring students on campus for academics beyond the first 3

weeks, those students who chose Option 2 through Edmentum/Plato will be transferred to those courses at that time, and continue their classes virtually.

- At main campus: No hot breakfast available, there will be two cold options. Lunch will be grab bag style, one option for the first three weeks. Students will need their student ID for payment. No cash will be accepted at the register. Students should pay online (more than 24 hours prior) at <https://payforit.net>. Students may pay with check or money order in the main office.

Students reporting to Greentree Health Science Academy may have some different procedures, which will be explained when you arrive for your first day.

- What do I do when I first arrive at WCCC? **Relax! Just show up and we'll guide the way. We will have plenty of staff hanging around in the parking lot and entrances to help you. Don't stress, we will get you where you need to be!** We recognize the heightened stress of the new "COVID ways". We will take great care of you and make sure you have a great experience. We are looking forward to getting a great year started!
