

DISTRICT STRATEGIC PLAN
Warren County Career Center

Updated 08/2012

Vision: WCCC is the valued partner of choice within the educational and economic systems of our communities, by providing quality academic and career technical education. We pave the way for a future of opportunities unique to each of our learners.

Mission: To prepare youths and adults to make informed career choices and to successfully enter, compete, and advance in a changing world.

WCCC stakeholders will behave in ways that support and demonstrate the following values:

- Celebrating team & individual achievements
- Communicating openly & honestly
- Embracing educational opportunities for change and diversity
- Making quality customer service a high priority
- Promoting partnerships & a team environment
- Providing high quality instruction & highly qualified staff to ensure success for all learners
- Taking ownership of personal actions & being held accountable for results
- Treating each other with respect, dignity, trust & mutual value
- Upholding & demonstrating high ethical, educational & fiscal standards
- Using data to drive planning, decision making & actions

WCCC stakeholders believe that in order to realize our vision and accomplish our mission, we will be consistent with the following strategic choices:

- Curriculum, Instruction & Assessment for both academic & career/technical courses will:
 - Align with state standards
 - Ensure students are prepared for careers and post-secondary education
 - Prepare students in life skills to become exemplary citizens, employees & team members
- Facility Usage – create a safe, secure & welcome environment which provides open community access & supports our focus on teaching & learning.
- Financial Planning – maintain current and new assets at a level that will consistently support educational operational and planning needs.
- Partnerships – actively pursue, recruit & retain community educational partners in meaningful & creative ways.
- Professional Development – targeted at developing a highly qualified staff using a balanced approach to considering system-wide needs based on data & individual professional objectives.
- Recruitment & Retention – actively recruit secondary & adult students to ensure their success.
- Technology – offer technologies with advanced tools & applications in order to enhance the educational process & to achieve district objectives.

Organizational Goal & Objectives: 2011-2012 – 2014-2015

All students will be college and career ready.

- Objectives:
- Improve performance on all local/state/federal indicators and measures
 - Increase enrollment and retention
 - Increase revenue sources and opportunities
 - All students will have access to technology, quality programming, equipment and facilities
