High Schools That Work

The Warren County Career Center (WCCC) is proud to be a *High Schools That Work* site in Southwestern Ohio. *High Schools That Work* is a school improvement initiative that integrates challenging career focused studies with advanced academic studies. Therefore, it is imperative for the WCCC to become an integrated technical center with advanced academics to properly serve students in all six districts beyond the 20th century. *High Schools That Work* is based on a framework of 10 key practices and key conditions that advocate accelerated learning and higher standards for all students:

- Key Practice 1 Establishing higher expectations of students in both academic and career-technical classes
- Key Practice 2 Revising career-technical courses and developing new ones to expand the emphasis on advancing communications, mathematics, and science competence
- Key Practice 3 Revising academic courses or developing new ones to teach the essential concepts from the college prep curriculum through applied strategies that enable students to see the relationship between course content and their future
- Key Practice 4 Requiring students in career-technical studies to complete a challenging program of study including 4 courses in English, 3 in math and science, and at least 2 in each area equivalent in content to courses offered in the college preparatory program
- Key Practice 5 Encouraging career-technical and academic teachers to integrate curriculum by providing them with staff development materials and time to work together
- Key Practice 6 Having each student actively engaged in the learning process
- Key Practice 7 Providing career guidance and counseling services to students and their parents in the planning of a high school program of study
- Key Practice 8 A high school that works must provide a structured system of extra help to enable career-bound students to successfully complete an accelerated program of study that includes high-level academic content and a major
- Key Practice 9 Using student assessment and program evaluation data to improve the curriculum, instruction, school climate, and school organization and management
- Key Practice 10 A high school that works must provide career-bound students access to a structured system of work-based learning that results in an industry recognized credential and employment in a career pathway

An important part of being a *High Schools That Work* site is that we get our students' assistance in trying to continuously improve our school. This includes testing our students regularly, and surveying them for comments on ways to make our school better. **Remember, every voice counts!**

Eighteen-year old students

Students eighteen years of age or older and living at home are still under their parents' authority as far as school is concerned. All notes, early dismissals and required forms are to be completed by the parents. Eighteen-year-old students will not be permitted to sign themselves in or out of school and all grades and discipline information will be shared with their parents. Students eighteen years and older who live independently and students under eighteen who are legally emancipated are not bound by these requirements, but must still follow all school policies.

Attendance/Truancy

Documentation for Absences, Tardies and Early Dismissals

Generally, twelve (12) occurrences of absences from school, which include full days, partial days, tardies and early dismissals may be documented by a parent/guardian note and phone call. Medical notes shall not count against the 12 occurrences that a parent may excuse. Absences (full and partial days), tardies and early dismissals in excess 12 occurrences may not be excused by a parent and shall require documentation by the child's treating physician, nurse practitioner, or physician's assistant- unless an occurrence is otherwise excused by the Principal due to unusual circumstances. The foregoing general rule is for the convenience of school officials in the administration of this attendance regulation. This rule does not create an entitlement for a student to be absent from school 12 times for reasons other than those identified for Excused Absences. Application of this general regulation may be waived by school officials where circumstances indicate that its application does not serve the student's best interest. Those circumstances include, but are not limited to, the student's attendance in the current or prior school years. In all instances where students/parents have been adjudicated guilty for truancy related offenses and/or are currently under active supervision or probation, excused occurrences from school shall be granted only on the condition of a note from a physician, nurse practitioner, physician's assistant, or excused by the school Principal. Nothing contained in this attendance regulation is intended nor should be construed as restricting the discretion of school officials to make such inquiries and request such verification/documentation as is reasonably necessary to determine if an occurrence (full day absence, partial day absence, tardy or early dismissal) is for any of the reasons identified in this regulation as Excused Occurrence.

Tardiness

Being punctual to school is the minimum expectation that we have for all of our students in preparing them for the workplace.

Twelve (12) absences from school (i.e. any time out of school) each year, which include full days and partial days may be documented by a parent/guardian phone call which will not count towards tardies. Medical notes shall NOT count against the 12 absences that a parent may excuse.

Any student arriving to school or who is not in their 1st bell classroom/lab by 7:40am must report directly to the attendance office to obtain a "tardy" pass.

Teachers/Instructors will not allow students into their room/lab after 7:40am unless they have a "tardy" pass.

Late students are NOT considered in attendance at school until the “tardy” pass is completed in the attendance office.

Every tardy will count cumulative for each semester and will reset after each semester. Building procedures for tardies are as follows:

Tardies	Consequences
3 rd	Warning
4 th	30 Minute Detention Letter Sent Home
7 th	Thursday School Meeting with Administration
10 th	Thursday School Loss of Driving Privileges for Semester Letter Sent Home
13 th	ISS 2 Days
15 th	ISS 5 Days Meeting with Superintendent

Chronic tardiness to school may result in the loss of driving/parking privileges and potentially a referral to the Warren County Juvenile Court.

Each student must be set up bus transportation with their home school or have other means to transportation if loss of driving/parking privileges are revoked.

Early Dismissal

Students must bring in their early dismissal note to the attendance office in the morning before school starts. All early dismissals will be counted toward the student’s 12 occurrences in the school year. In all cases, a parent/guardian will be contacted to provide permission and a valid reason for the early dismissal. When a student arrives on the campus property he/she is under the jurisdiction of the school district until the end of the day. No student may leave the premises during the school day without proper authority from the attendance office. Also, no student will be permitted to return to school unless an “off-grounds” pass has been issued with a return time marked on it.

Absences

Students who miss school are required to have their parent/guardian contact the attendance office on or before 9:30 a.m. If the school doesn’t receive notification, a phone call will automatically be made to the parent/guardian. If the parent/guardian fails to contact the school the absence will be considered unexcused until a parent/guardian makes direct contact (within 5 days) with the attendance office to verify the student’s absence.

All notes; parental/guardian or physician must be submitted to the attendance office within five (5) days of the absence, otherwise the absence will be unexcused.

The Ohio Revised Code define a student as being truancy when a student has:

- 30 consecutive hours of unexcused occurrences from school, or
- 42 hours unexcused occurrences from school in a school month, or
- 72 hours unexcused occurrences from school in a school year.

The Warren County Career Center, in compliance with Ohio Truancy Laws has established the following intervention strategies to avoid unexcused absences, partial and full days, tardies and early dismissal. If a student is under 18 years of age and acquires 38 hours in a month or 65 hours in a year of excused and /or unexcused hours, a warning letter will be mailed home to the parent/guardian. If that student then acquires 30 consecutive unexcused hours, 42 unexcused hours in a school month, or 72 unexcused hours in a school year a Truancy Intervention meeting will be scheduled by the Truancy Officer. The meeting focuses on explaining the truancy process as well as addressing compulsory school laws and WCCC attendance expectations. The student's responsibilities are discussed along with the legal consequences should the attendance problem continue. The entire focus of the meeting is an educational one. It is an "awareness program" designed to inform and empower students to resolve the attendance concerns on their own, so that the Juvenile Court need not become involved.

Consequences

The school administration offers a framework of sanctions that looks at the severity, duration, and impact on the student and student body. Actions and behaviors that injury or endanger the health or morals of the students or student body can expect swift and substantial action(s).

The school administrators may choose from the following list of consequences/sanctions or may design other consequences/sanctions to address the specific actions or behaviors of the student.

1. Counsel and admonish by Administrators
2. Thursday school
3. In-school suspension
4. Out-of- school suspension
5. Community Service
6. Expulsion from school
7. Prosecution, if the actions/behaviors violate Federal, State or local laws
8. The school administration will make the final decision whether an absence/tardy is excused or unexcused.

In general, unexcused occurrences (absences/tardies) include (but are not limited to)

Excused Tardies, Early Dismissals, and Absences

1. Personal illness or injury.
2. Medical or dental appointments (partial days, in most cases).
3. Death or severe illness within the immediate family or care provider.
4. Quarantine.
5. Religious holiday
6. Appointments for court (with documentation).
7. Pre-approved absences. Five (5) days per year approved in advance by the administration. These days shall be included in the 12 occurrences rule noted previously. Students should plan vacations during the summer or during winter or spring breaks. Vacations should follow the school calendar.
8. Head lice. Children excluded from school due to head lice are allowed two (2) excused occurrences (two occurrences per year, maximum.). Days beyond the two (2) day limit are unexcused.
9. Field trips and school activities.
10. Pre-approved home school events/activities.

11. Emergencies and other reasons approved by the WCCC administration.

Unexcused Occurrences: Tardies, Early Dismissals, and Absences

Occurrences are marked unexcused if a parent/guardian does not call the school and or submit a written note within 5 days of the student's return to school. Note that a parent may excuse 12 occurrences in a school year.

Students admitting to the truancy charge or adjudicated as unruly/delinquent for truancy may be ordered by the Juvenile Court to return to school and accumulate no further unexcused absences or tardies until graduation. A Violation of a Court Order may be filed against the student for any future unexcused absence or tardy. The same applies to parents who have plead or been found guilty of "contributing" charges. Juvenile Court may retain jurisdiction of students until they graduate, obtain their GED, or attain 21 years of age.

Homeschool Schedule Conflicts

If there is a conflict between the student's home school schedule and the Warren County Career Center schedule (beginning or ending dates, spring break, teacher in-services, etc.), the student is expected to follow the Warren County Career Center schedule and be present when the Career Center is in session. In the event of the home school closing or delaying due to inclement weather, the student should follow their home school's delay or closing.

Missing Child Law

According to Section 3313.205 of the Ohio Revised Code, parents or guardians of school age students must call the school to report the absence of their son/daughter. We ask that all parents call the school and ask for the attendance office by 9:00 a.m. (Ext. 5234) on the day of the absence. If the school does not hear from the parent/guardian, a robo-phone call will be automatically sent home notifying the parent of the student's absence.

Badges & IDs

Identification badges will be issued to all Warren County Career Center students. Badges **MUST BE VISIBLE AND WORN BY STUDENTS AT ALL TIMES DURING THE SCHOOL DAY**. Badges are used to gain access to doors and entryways. A fee of \$5.00 will be charged or Badges added to student's school fees for lost or replacement badges.

Student Dress Code

As we continue to prepare students for entry-level jobs and/or post-secondary education, and in order to establish an educational climate dedicated to achievement, the Warren County Career Center has instituted a dress code for all students.

All students are required to wear Board approved, WCCC program shirts. Career-technical instructors have selected a uniform shirt for their program's students to wear each day. The shirts are purchased by the student and **MUST** be worn each day for school, unless told otherwise. **NO EXCEPTIONS!**

Appropriate dress and appearance is an integral part of any effective career-technical educational program. Our school dress code reflects the expectations of business, industry and the Warren County Career Center staff. The following guidelines are to be adhered to by the WCCC student body:

- A. *All* students will wear approved, WCCC program shirts/attire **EVERY DAY** that school is in session. Students are to wear required program dress/attire throughout the

entire school day. Also note that ONLY approved headwear are permitted to be worn at discretion of the classroom teacher, and building administration. Headwear includes hats, toboggans, and hoodies.

- B. Safety apparel must be worn at all times during the laboratory setting. **This includes appropriate uniform, eye apparel and footwear.** In programs that require uniforms other than those provided by the school, students are to keep them laundered and in good repair, free of any graffiti or other inappropriate markings.
- C. The wearing of all jewelry, wristwatches and loose clothing is not permitted during laboratory instruction where they may present a safety hazard.
- D. Any student with collar length hair or longer may be required to wear a protective cap, hair net or have his/her hair pulled back since safety or sanitation is a factor.
- E. Distracting, unsafe or inappropriate dress is **not acceptable**. The following is a list of prohibited items:
 - 1. Any article of clothing, which depicts drugs, alcohol, tobacco, sexual innuendos, or gang/cult related symbols. **THIS INCLUDES CONFEDERATE FLAG EMBLEMS, SWASTIKAS, AND ANY OTHER HATE-RELATED SYMBOLS.**
 - 2. Tank tops, muscle shirts, or altered sleeveless shirts
 - 3. Shorts or Capris that are above the knees
 - 4. Skirts shorter than 3" below fingertips when arms are extended down to the side
 - 5. Halters, midriffs or revealing garments
 - 6. Inappropriate footwear, which will be identified and monitored by the instructors for safety in a school/lab setting.
 - 7. No house slippers
 - 8. Ragged, patched, ripped, cutout, torn or defaced clothing
 - 9. One bag/backpack may be taken into the classroom. All other items should be placed students' locker.
 - 10. Sunglasses
 - 11. Coats, baggy jackets, or windbreakers
 - 12. Chains or spikes worn ANYWHERE on a student (like wallet chains, spiked wristbands, etc.)
 - 13. Baggy pants, pants with large pockets, or pants that drag on the floor (Pants are to be worn at the waist)
 - 14. Students opting to wear Leggings, Yoga pants, or other form-fitting attire must make sure that the upper garment extends to at least arm's length below the waist.

NOTE: The administration reserves the right to amend this list as additional concerns arise. Specific career programs limit body piercing to the ears only. Program expectations are in written form and will be reviewed with the student.

Use of Medication

No student will be permitted to carry or self-administer his/her own medication in school without written consent from the school nurse. This includes all medicines prescribed by a physician and all over-the-counter drugs. The school nurse will store and dispense medication to the student only after the student and parent have requested this service.

Use of School Equipment and Facilities

Our equipment is to be used for instructional purposes only. Each piece of equipment is assigned to a certain area and should not be moved without your instructor's permission. At the end of the lab period, check all equipment to be sure that it is accounted for, secured and covered, where applicable. You are responsible for the care of the equipment so please take care of it.

Telephones, Cell Phones, and Other Communication Devices

Cell phones and any other communication devices may not be used during the school day unless otherwise directed by the instructor for instructional purposes or while in the commons during assigned lunch period. Use or improper storage of the device during the school day could result in confiscation of the item and disciplinary action. If there is an emergency, which would require the use of the telephone, go to the office and ask permission to use the office phone. Parents who wish to contact their students during instructional hours are asked to call the office at (513) 932-5677.

Hall Passes

Students are required to carry a teacher issued hall pass when they are out of the classroom at any time.

Fire Drills/Tornado Drills

There will be monthly Fire Drills conducted during the school year. Tornado Drills will occur during the Tornado season (spring). Your instructor will give you the Fire Drill/Tornado drill instructions for each lab/classroom.

Safety

Due to the vast amount of industrial type equipment used by students at the WCCC and because of the possibility of severe injury, it is essential that each student completely observe the safety requirements within each career-technical program. Each student should learn these requirements for he/she alone will be responsible for his/her actions.

Visitors

Parents and other adults are requested to contact the school office when visiting our school. Please contact the school in advance of your visit to ensure you will be able to observe a particular activity. **A State issued identification card or driver license will be required of visitors and they will log in on the Lobby Guard security system.** Visitors and volunteers are required to wear the identification badge while in the building. Students will not be allowed to bring friends to school. Alumni students are to visit staff after 2:15 pm.

Food or Drink

Food and drinks in the classroom and labs are at the discretion of the teacher. There is to be no food or drink brought on the school buses or vans. Food is to be limited to the cafeteria during lunch times. No food is permitted in other areas of the building, unless addressed by the administration prior.

Cafeteria

The school cafeteria is maintained as a vital part of the school. We have a closed lunch period. Students are required to eat at school, are not allowed to go out for lunch, and are not permitted to have lunch delivered without prior approval from the administration. All students are expected to:

- A. Deposit all lunch litter in wastebaskets.
- B. Leave the table and floor around your place in a clean condition for others.
- C. Not cut the lunch line or purchase items for other students.

Students who choose not to cooperate with the rules and/or the lunch supervisors will receive disciplinary action.

Milk Substitution for children with Medical or Special Dietary Needs: If a child has a life-threatening allergy/disability related to consuming milk the District is required to accommodate a Child with a disability, but must obtain a medical note from a licensed physician that describes the Child's condition. Whatever the physician prescribes as a milk substitution must be served, which may be orange juice or water.

Hallway and General School Behavior

Teachers and other school personnel have the responsibility to monitor and correct student behavior throughout the school building and grounds. Appropriate behavior is expected of all students. **Examples** of inappropriate behavior that will be addressed include (but are not limited to):

- A. Inappropriate dress
- B. Inappropriate language
- C. No hall pass
- D. Littering
- E. Damage to property
- F. Insubordination
- G. Student confrontation
- H. Loud and obnoxious behavior
- I. Other disruptive behavior
- J. Loitering
- K. Excessive tardies to class

Student Searches

The Administration of the Warren County Career Center will coordinate with local law enforcement officials when the need arises for assistance with the Warren County Drug and Alcohol Task Force. Pursuant to Section 3313.20, Ohio Revised Code, the Board of Education has adopted a policy permitting the Administration of the Warren County Career Center or its designee to search a student's person, his/her briefcase, purse, book bag, gym bag, locker, desk, or other items, etc. and automobile if that automobile is parked on school grounds or at a school sponsored activity. When the administration believes a student is concealing evidence of a crime upon his/her person or property, or if an emergency situation exists or appears to exist that immediately threatens the health or safety of any person, or threatens to damage or destroy any property under the control of the Board of Education, the police may be asked to conduct the search.

Random searches of the entire property will be conducted at different times by the Administration and/or police agencies during the school year, and may include use of Canine Units.

Student Code of Conduct

This Code of Conduct applies while a student is in the custody or control of the school, on school grounds or closely proximate thereto, while at a school sponsored function or activity or on school-owned or provided transportation vehicles. In addition, the Student Code of Conduct governs a student's conduct at all times, on or off school property, when such student conduct is reasonably related to the health and safety of other students, school employees and/or visitors and volunteers, or such conduct would unreasonably interrupt the educational processes of the Warren County Career Center.

Ohio Revised Code 3313.66 requires that students are provided with a written notice of intent to suspend prior to being suspended. The statute also requires that students and parents are provided with a written notice of intent to expel. The notices shall include: (1) a statement of intent to discipline; (2) a description of the acts, which were in violation of the Student Code of Conduct; (3) specific rules of the Student Code of Conduct which were violated; (4) and the dates of the suspension or expulsion.

Suspension – the written notice of intent to suspend shall be given to the student at an informal hearing. School work may be made up while suspended. If the student makes up school work while suspended, he/she will be able to receive a maximum score of 60%. Whenever possible it is the responsibility of the student to collect all work assignments and books before the suspension begins. All work will be due, including the taking of any tests and/or quizzes, the first day the student returns from an out of school suspension.

Expulsion – the written notice of intent to expel shall be sent to the student and his/her parents, and the student and parents will be provided an opportunity for an informal hearing prior to a decision to expel. It is the policy of the Warren County Career Center School District's Board of Education that students shall not be permitted to return to school pending any appeal process with the administration or the court. The School District will make every effort to promptly hear all appeals to minimize a student's absence from school. Should the Board of Education, the Superintendent, or their designees, reverse or modify a discipline decision and permit a student to return to school, such student shall be given ample time to make up all assignments and work missed as a result of the absence.

Prior to imposing a suspension/expulsion for failure to complete community service, the parent/guardian and student shall be sent a written notice of the Superintendent/Designee intention and shall have three (3) days from the mailing of the notice to request a meeting with the Superintendent/Designee to show cause why the suspension/expulsion should not be imposed.

Student Services

College Visits/Military Processing

It is our policy to permit juniors to use one day and seniors, two days, absence from regular school classes in order to visit a school they anticipate attending. One day may be used for military processing (additional days for military related absences may be allowed with prior administrative approval). Arrangements for these days must be made in advance to secure permission from both, the school to be visited or military recruiter, and WCCC Counselor. The students must complete a College/Military Visitation form from Student Services. This form must be signed by a parent/guardian and returned to a counselor for approval.

Guidance Counselor

The Student Services Office is available to students and parents to discuss educational and personal social problems. Students may stop and see their counselor before school or during lunch. Students may also make appointments.

Health Services

The Health and Safety Coordinator (School Nurse) is located in the front office for consultation and health problems. If a student should become ill during the school day, he/she should receive a pass to report to the Nurse. The Nurse will notify the instructor in the event the student is not able to do so. No student who is ill will be sent home from the school without parent permission.

Student Withdrawals and Program Changes

Program changes, on the part of the students, will not be encouraged. Students should see their **Career Center** guidance counselor for any questions concerning their program. Up to a two week trial period will be required of all accepted WCCC applicants.

Change of Address & Telephone Number

If your address or telephone number has changed since the time you submitted your application to the **Warren County Career Center** or, if it changes any time during the school year, the student must notify the Student Services Office immediately.

Criteria for Earning WCCC Credit

1. **WCCC** will supply the home school with the attendance and the grade earned. It is the responsibility of the home school to grant credits according to Board Policy.
2. Correspondence and/or Virtual Learning courses may be taken with the approval of the home school and the **WCCC** Guidance Counselors. These courses must be completed according to the home school policy.
3. Credit Flex - Ohio Senate Bill 311 allows alternate pathways for those students who are

eligible to receive high school credit through the use of Credit Flexibility Plans (CFPs). Ohio students are now able to earn high school credit in three ways, or in a combination of these ways, 1) By completing traditional coursework; 2) By testing out or otherwise demonstrating achievement of the course content; or 3) By pursuing one or more "educational options" (e.g., distance learning, educational travel, independent study, an internship, music, arts, after school program, community service or engagement project and sports). If you have any questions regarding credit flex, please contact your guidance counselor.

4. Dual Enrollment - The Warren County Career Center is partnering to deliver college courses on the WCCC campus during the school day with various universities and colleges. Dual enrollment is not PSEO. Dual enrollment allows students the opportunity to remain on the WCCC campus, take a college level course, and earn both high school and college credit. When a student is enrolled as a dual-enrollment student, s/he is also a student at the college, where s/he has the same benefits as any other University or College student. A student may receive only high school credit if they do not pass the college course requirements for Dual Enrollment.
5. PSEO (Post-Secondary Enrollment Options) – WCCC works with students planning to participate in PSEO. Any student planning to participate in PSEO will need to contact their home school to enroll in PSEO.

Report Cards

All parents and students will be advised of the student’s achievement and progress at the WCCC. This report will be prepared by the teaching staff at the end of each nine-week grading term. There will be four formal nine-week grading periods.

In addition to the nine-week grading periods, a mid-term progress report will be sent to all parents and students halfway through each quarter.

Quarter Grades

The method of grading at the Career Center will consist of the six letter system: A, B, C, D, F and I. In order to arrive at an equitable evaluation of a student's achievement, all teachers will employ a percentage average and convert this average into a letter grade.

The following list is the universal grading system for the Warren County Career Center.

98-100%=A+	93-97%=A	90-92%=A-	Excellent Work
88-89%=B+	83-87%=B	80-82%=B-	Above Average
78-79%=C+	73-77%=C	70-72%=C-	Average
68-69%=D+	63-67%=D	60-62%=D-	Below Average
0-59%=F			Failing Work - No Credit Given
I Incomplete Work	No Grade Will Be Given Until Assignments are Complete. Students will have 2 weeks to convert an incomplete to a letter grade. All incomplete work will convert to zero status after the two-week period.		

Letter Grade Quality Point Equivalents

A+ = 12	B+ = 9	C+ = 6	D+ = 3
A = 11	B = 8	C = 5	D = 2
A- = 10	B- = 7	C- = 4	D- = 1
F = 0			

Semester & Final Exam Policy

A cumulative exam or assessment is to be administered in each class at the end of each semester. This exam or assessment is to be designed as a cumulative evaluation of the major concepts covered during the course. The exam/assessment will count as 20% of the final semester grade.

Students who are absent for exams or assessments may make them up with a doctor's note excusing the absence. Extenuating circumstances will be handled on an individual basis. No student will be exempt from any exam and/or assessment unless it is authorized by the building administration.

Semester Averages

In order to pass a course and receive semester credit, a passing grade must be attained in two out of the three marking areas (quarter marking periods and/or the semester exam).

To determine the semester average for a course, add 40% of the letter grade quality point equivalent for each quarter to 20% of the letter grade quality point equivalent for the semester exam.

The following table is used to determine the final semester grade for the course.

A+ = 11.05 - 12.00	C+ = 5.35 - 6.30
A = 10.10 - 11.05	C = 4.40 - 5.35
A- = 9.15 - 10.10	C- = 3.45 - 4.40
B+ = 8.20 - 9.15	D+ = 2.50 - 3.45
B = 7.25 - 8.20	D = 1.55 - 2.50
B- = 6.30 - 7.25	D- = 0.60 - 1.55
	F = 0.00 - 0.60

WCCC does preserve State Of Ohio Guidelines in fulfilling End of Course testing, Career Technical Web Exams, Advance Placement testing, Sinclair Tech Prep testing and all other State Test requirements.

Internships and Work-Based Learning Experiences

Internships and work-based learning provides experiences for students that develop broad, transferable skills. Work-based learning provides students with opportunities to study complex subject matter as well as vital workplace skills in a hands-on, “real-life” environment. Working in teams, solving problems, and meeting employer’s expectations are workplace skills that students learn best through doing and master under the advice of adult mentors.

In order to obtain approval for a work-based learning experience involving a class, a group of students, or an individual student, a proposal must be submitted to the Director’s office for approval. Considerations for individual student proposals will only be approved to begin second semester of the senior year.
